

HIGH PERFORMANCE AUTOMATION SOLUTIONS

## Index Support Curve

Part No. 4196005

List price: \$695

*Easy to read measurement units for recipe set-ups*

**Index support curves are an effective upgrade to your feeder for faster changeover and increased profit.**

- The support curve is the most critical piece for separation performance of your feeder.
- Utilizes a measurement scale to record product stacking adjustments for recipe set-ups.
- Provides simple changeover, adjust 1 angle per axis at a time.
- Fits all Multifeeder friction feeders, including the Washdown series.
- Allows for easy set-up, saves you time and money!

Use our Parts Portal located in our website for quick and easy 24 hour spare parts ordering.
